

SPARK Flashcards

A team building activity to benefit local students served by Classroom Central

1 in 2 students in our local area live in poverty. You can help level the educational playing field for these students while engaging your group in a meaningful activity. Each set of flashcards your company, faith group or community organization creates will enable a child to learn the basics they need to be successful in school.

It's Easy as 1-2-3!

1. Your group creates flashcards using Classroom Central's templates or you can be creative and create your own flashcards.
2. Once completed, flashcards can be dropped off at Classroom Central during our regular donation hours (Monday-Thursday from 8AM-Noon).
3. Classroom Central distributes the flashcards to teachers and students through our Free Store program.
